Dear Mr Matthews
& Team,

Enclosed is payment for
re-roofing.

Peter & I are delighted with
the final roof.

Everyone worked so hard
& the extra time & effort
to obtain the ridge tiles
was well worth it.

Thank you again
Carol Holland.

Dear Mr Matthews,

I enclose my cheque for
in settlement of the bill for your recent work.
My wife and I should like to thank you for
your prompt and efficient attention to our problem.
Your work certainly did the trick and it is
nice to have the house tidy again and the
conservatory back in use.

I should appreciate a receipt, as I may
be able to claim some insurance, though the
insurance company may put down the problem
mainly to wear & tear. The conservatory firm
that originally wrongly placed the lead flashing
has gone out of business! I enclose a stamped
addressed envelope for you convenience.

With our renewed thanks.

Yours sincerely.

We were very pleased with your workmen
their standard of work and how well

our comments.

2 heavy storms and no bucket
needed so fingers crossed.
